GRATEFULNESS

Beloved Faculty Members, Officers, Staff Members and Students,

I, the undersigned, would like to outspread my indebtedness for the remarkable work done by you for organizing the international Conference embodied in the title “COVID-19: CONSEQUENCES AND CHALLENGES” held on August during 05-06, 2021 at our Alipurduar University.

The continual times that you have fatigued realizing with an extraordinary accountability to the duties and tasks allotted for the conference program are extremely appreciated.

Once more, thanks so much for your openhanded contribution in our Conference. I have no hesitancy that it would not have been the accomplishment that it was without your company and energetic involvement.

Any additional suggestions you may have would be welcome. I'll update you as my search progresses.

Finally thank you all so much for your kind help and I greatly appreciate the assistance you have provided me.

Yours Sincerely,

Mahendra Nath Roy
