

ALIPURDUAR UNIVERSITY

P.O. ALIPURDUAR COURT, DIST. ALIPURDUAR

International WEB BASED CONFERENCE ON EMERGING ISSUES OF THE NEW SARS COV-2 VARIANT OMICRON AND ITS IMPACT ON SOCIETY, ECONOMY AND CULTURE

Organized by:

Date: 28th February – 1st March 2022
(NATIONAL SCIENCE DAY CELEBRATION)

About the Conference:

The last two years have been some of the toughest times of the human race. The Pandemic era has enforced paradigm shift in almost every domain of the society including academia. Though the spotlight currently resides on combating and tracking the evolution and variations of the SARS COV-2 Virus, we are all engaged in building appropriate and relevant strategies to deal with each of the evolving forms of the virus. This conference aims to engage participants from every sector, including academia, industry and the regulatory bodies. Internationally renowned speakers from diverse fields will share expertise, and inform about the changing scenarios and strategies to encounter the virus.

Sub-Themes:

- 1.SARS Cov-2 variants Omicron
- 2.COVID Epidemiology
- 3.Pharmaceuticals Derived from Natural Products against COVID.
- 4.Socio-economic impact of COVID on workers of private or small scale industries during pandemic.
- 5.Gender Discrimination, Domestic Violence and Experience of Women in a Patriarchal Culture During the Pandemic.
- 6.Impact on child-health (physical and mental)
- 7.Impact of Covid on the Mental Health and Behavior of the Marginalized Adolescent Population.
- 8.The Role of Drug Industry in Fighting the Pandemic.

Alipurduar University cordially invites participation from everyone to make this conference successful.
